

Board Approved: November 1, 2018

Effective: Bill Rendered After January 1, 2019

---

**SCHEDULE S60 – LIMITED SERVICE**

---

**Availability**

Available to customers who meet the requirements of the former Seward County Public Power District Rate Schedule 60 and are located within an area served by Seward County Public Power District prior to May 1, 2017. Available to seasonal users, including cabins, uninhabited farmsteads, seasonal farm use, water pumping for stock and domestic purposes and grain handling installations, with 75 kVA or less required transformer capacity, when electric service is measured by one meter, and not used as a permanent residence.

**Type of Service**

Single-phase or three-phase, 60 cycles, at available secondary voltages.

**Annual Rate**

|                        |          |
|------------------------|----------|
| Customer Charge        | \$204.00 |
| Energy Charge, per kWh |          |
| First 2,400 kWh        | \$0.1680 |
| All additional kWh     | 0.0970   |

**Fuel and Production Cost Adjustment**

A fuel and production cost adjustment may be applied to all energy used in an amount per kWh equal to the increase or decrease in the District's cost due to the most recent fuel and production cost adjustment from the District's power supplier plus an adjustment for system energy losses based on the previous calendar years' experience.

**Minimum Charge**

The minimum annual charge shall be the greater of \$204.00 or \$16.80 per kVA of required transformer capacity.

**Municipal Agreement Charge**

Where the District has an agreement to pay the municipality a percentage of the customer's retail revenue, such percentage will be added to each customer's bill before application of a fuel and production cost adjustment.

**In Lieu of Tax Charge**

If a customer resides within the corporate limits of an incorporated town or village, the customer will be charged an additional 5% of the customer's monthly charge plus or minus any fuel and production

cost adjustment, since the District is required to remit this amount to the county in which the customer resides.

**Service Regulations**

The District's Service Regulations are incorporated herein as part of this Schedule.
