

Board Approved: December 6, 2023

Effective: Bill Rendered After January 1, 2024

---

**SCHEDULE 5 – ANNUAL SERVICE**

---

**Availability**

Available to seasonal users, including cabins, uninhabited farmsteads, seasonal farm use, water pumping for stock and domestic purposes and grain handling installations where the customer's annual peak demand is less than 150 kW when electric service is measured by one meter, and not used as a permanent residence or for crop irrigation. This rate schedule is closed to new customers.

**Type of Service**

Single-phase or three-phase, 60 cycles, at available secondary voltages.

**Annual Rate**

Customer Charge	\$360.00
Demand Charge, per kW of billing demand	\$ 18.00
Energy Charge, per kWh	
First 2,400 kWh	\$ .0530
All additional kWh	.0450

**Determination of Billing Demand**

The billing demand shall be the maximum kilowatt demand established by the customer for any period of 15 minutes during the billing period for which the bill is rendered as indicated or recorded by a demand meter.

**Fuel and Production Cost Adjustment**

A fuel or production cost adjustment may be applied to all energy used in an amount per kWh equal to the increase or decrease in the District's cost due to a fuel or production cost adjustment from the District's power supplier including an adjustment for system energy losses.

**Minimum Charge**

The minimum annual charge shall be the greater of the customer charge or \$16.80 per kVA of required transformer capacity.

**Municipal Agreement Charge**

Where the District has an agreement to pay a municipality a percentage of the customer's retail revenue, such percentage will be added to each customer's bill before application of a fuel or production cost adjustment, for services located within the corporate limits and for customers served by city or village owned distribution facilities.

**Gross Revenue Tax**

For services located within the corporate limits of an incorporated town or village, the District is required to collect a 5% gross revenue tax on revenues, including any fuel or production cost adjustment, and remit this amount to the county in which the service is located.

**Service Regulations**

The District's Service Regulations are incorporated herein as part of this Schedule.
