Available to a residence, including adjacent buildings not used for commercial purposes, individual apartments and non-commercial or non-industrial services, where electric service is measured by one meter and the customer's annual peak demand is less than 50 kW, located inside the city corporate limits within an area served by the City of Hebron prior to June 1, 2022.

Type of Service

Single-phase, 60 cycles, at available secondary voltages.

<u>Monthly Rate</u>	<u>Summer</u>	<u>Winter</u>
Customer Charge	\$20.00	\$20.00
Demand Charge, per kW of billing demand	\$ 1.50	\$ 1.50
Energy Charge, per kWh	\$.0779	\$.0647

Fuel and Production Cost Adjustment

A fuel or production cost adjustment may be applied to all energy used in an amount per kWh equal to the increase or decrease in the District's cost due to a fuel or production cost adjustment from the District's power supplier including an adjustment for system energy losses.

Minimum Charge

The minimum charge shall be the customer charge.

Summer and Winter Seasons

The summer rates will apply to customer bills rendered between June 15th and October 15th. The winter rates will apply to the remaining months of the year.

Municipal Agreement Charge

Where the District has an agreement to pay the municipality a percentage of the customer's retail revenue, such percentage will be added to each customer's bill before application of a fuel or production cost adjustment, for services located within the corporate limits and for customers served by city owned distribution facilities.

Gross Revenue Tax

For services located within the corporate limits of an incorporated town or village, the District is required to collect a 5% gross revenue tax on revenues, including any fuel or production cost adjustment, and remit this amount to the county in which the service is located.

Service Regulations

The District's Service Regulations are incorporated herein as part of this Schedule.
